Date of Birth - Date of Death

After Glow

I'd like the memory of me
to be a happy one.
I'd like to leave an after glow
of smiles when day is done.
I'd like to leave an echo,
whispering softly down the ways,
of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who
grieve to dry before the sun,
of happy memories that I leave
behind when day is done.
